### **The Gallery Restaurant, Bar & Lounge + Sports Club Cafe**

*Welcome to The Gallery Restaurant, where great food and drinks meet exceptional people. Our Bar & Lounge is where our members and guests recap their round and settle wagers. The décor and amazing views may be distracting as you are visually engaged by the Tortolita Mountains.*

*Sit back, relax and feel comfortable right away, whether you're a first-time visitor or Gallery Golf Club member. Multiple televisions keep you up to date on current sports and news, while our server brings an array of amazing meals to tempt your palate.*

*Try our famous jumbo onion rings - they are fantastic! Beyond the lounge, The Gallery Restaurant offers a full dining experience that exudes casual elegance. Our main dining room is spacious and welcoming. Refreshing drinks and a hand-crafted local menu is paired by our culinary staff.*
